

LANCASHIRE FAIR PLAY PLAYBUILDER HEADLINE CRITERIA FOR YEAR THREE PROJECTS

The following key criteria are set for Playbuilder play areas in line with the national objectives	Evidence that the following essential activities are in place/adequately planned (Deliverability within time constraints)
Free and Imaginative play potential	Required matched funding secured
Continuous open access	Identified development in play strategy
Innovation in play value	Planning consent secured
Adventurous and challenging play potential (8-13yrs focused)	Public consultation processes in place
Use of sustainable and natural resources/landscaping techniques for play	Risk assessments/insurance arrangements agreed
Developed from needs assessment	Detailed costing secured (recent)
Engagement of children, their parents/ carers and communities	Detailed plans/drawings available secured from reputable source
Accessible experience for disabled and non-disabled children alike	Procurement mechanisms/supplier lead in times possible within timeline
Strategies for safe access to site in place	Partnership working evidenced
Ability to improve health outcomes for children	Ownership issues clear
Fosters community cohesion	
Linked with other local public amenities for children/families	
Promotes inclusion by reaching 'harder to reach/vulnerable group'	

WEIGHTED CRITERIA

Weighting will be given at assessment to three priorities in Year Three;

- **Geographic locality not previously featured in Playbuilder programme**
- **High level of challenge and adventure**
- **Design Innovation proving high degree of Play Value**
